

## Player Evaluation Report Card Program

What we do:

- We watch your son/daughter practice and/or play in a game (Buffalo area only)
- We may video tape this play for future reference with your consent
- We analyze what we see from a skating and playing perspective
- We fill out a report card to be shared with the family
- We suggest areas for improvement and how that can be accomplished
- We have an on-ice session with Kelly and/or Wayne and your child
- We address the deficiencies and advise proper technique to improve those skills
- We evaluate our on-ice session with the player and send you a plan for improvement
- We will keep your information on file for 2 years

Your investment: \$365

Upon payment using the registration sections, please contact [info@threesixfivehockey.com](mailto:info@threesixfivehockey.com) to exchange applicable schedules.
